

1948 to 1988

To some of us 1948 seems like yesterday, to others it is more than a lifetime away. In the intervening years since 1948 St. Serf's Players have presented to our audiences a wide range of one-act, three-act and musical plays. Past members are spread throughout the world. On the other hand, one founder member (Jeana Elliott) is in the cast of "The Pied Piper"! We look forward now to our Golden Jubilee when, who knows, today's young members of our cast from our Junior Church and Bible Class could be our leading performers taking the Club into the next century!

KEEP SUPPORTING US!
