Philip Wilson, Chairman, St Serf Players.

The "Farndale Avenue" series of comedies, co-written by David McGillivray and Walter Zerlin Jnr. are in a class of their own and this "Murder Mystery" is no exception. These plays within plays offer quite challenging scripts, where "deliberate mistakes" are all part of the action and performers have to ensure that these look accidental, rather than scripted. The plays were a great hit during the Edinburgh Fringe during the late 70's.
